Imagine a lush, beautiful island with sandy beaches, jagged cliffs and tall pine trees supported by a local community with a simple, laid-back way of life. Norfolk Island is such a place. There are no busy roads; instead you will find eighty kilometres of laneways that cross an island where cows still have the right of way.

Spend seven days with Bill Peach Journeys exploring the visually stunning and historic Norfolk Island, where you will truly feel like you have been isolated from the rest of the world, stepping back to a simpler time. Uncover a fascinating history, from the discovery by Captain James Cook to the eventual settlement by the Pitcairn Islanders. We discover how generations of descendants of Norfolk Island's original settlers showcase their personal heritage throughout the island.

As always with a Bill Peach Journeys' Luxury Short Break, you will enjoy stylish accommodation, exclusively designed touring, superb food and wine of the region and the services of our skilled Journey Director.

#### DAY 2 | NORFOLK ISLAND

Today we enjoy an introductory tour of Norfolk Island, before visiting world-renowned author, Colleen McCullough's house, home to the modern day literary icon for 36 years. Next, we stop in at Hilli Goat Farm, magnificently set at Anson Bay. #### DAY 3 | NORFOLK ISLAND

While tourism is Norfolk Island's largest industry, it is by no means the only one. Today we discover some of the enterprises that sustain the local community. These range from market gardening to sheep farming. Indulge in a High Tea to remember on

the lawns at Forrester Court overlooking picturesque Cascade Bay. This afternoon, experience the Trial of the Fifteen – a historical play that allows us to witness a courtroom drama as fifteen extraordinary characters step on stage to expose Norfolk's colourful and sometimes turbulent past.

#### DAY 4 | NORFOLK ISLAND

A relaxed ramble through the National Park starts the day. Walking along the Bridle Track from Red Road to Captain Cook's Memorial, our guide will help us identify local grasses, ferns, shrubs and trees as well as bird species. #### DAY 6 | NORFOLK ISLAND

This morning we explore the Pitcairn Settlers Village to experience the proud

history of the Pitcairn Island Settlers. In 1856, Norfolk Island's history changed forever. Descendants from the Tahiti and the HMS Bounty Mutineers, including Fletcher Christian, resettled on Norfolk from the Pitcairn Islands. We follow with a walk through the historic cemetery.

Later, visit the World Heritage-Listed convict settlement of Kingston. Learn about the first Polynesian settlers who arrived on the island 900 years ago and also gain an insight into the First and Second British settlements. Tonight's farewell dinner will be at The Homestead.
